Usagain Donations

Usagain collects unwanted clothing, shoes and household textiles. They redistribute the discarded gently used clothes to place where there is great need for these items, supporting the local and global economy in the process. About half of the collections are resold in the U.S. Non-reusable clothes are recycled into insulation, wiping rags, or are broken down to reclaim fiber.

Learn more at usagain.com.

Household Hazardous Waste Facility

Many products in your home or garage can be hazardous to your family and the environment. In fact, Household Hazardous Waste can be any item from your home that is flammable, corrosive, toxic, poisonous or reactive. Here are just a few examples of hazardous waste that will be accepted at the Scott County Hazardous Waste Facility.

- Paint/Stain
- Household items
- Yard chemicals
- Auto chemicals
- Adhesives and putty
- Wood preservatives or bleaches
- Aerosol spray products
- Fluorescent bulbs
- Fuels and solvents
- Mercury
